## **WE ARE GOING**

Following the success of our previous tours, plans are well advanced for our third tour.

Permission has now been given and final planning is now ongoing with the relevant authorities.

This promises to be a remarkable event and 2nd Armored in Europe is delighted at the support being shown by the Belgium and Dutch authorities.

The trip will be run with the usual, well established Second Armored in Europe principles, and will follow the route Second Armored took across Belgium in 1944 and finish in Maastricht on the River Maas.

Cost of the trip will be **£380.00** per person, payable with an initial deposit payment of **£100**

Followed by a further two payments of **£140** by the 31<sup>st</sup> May and 31<sup>st</sup> July respectfully

On receipt of your entry form we will send you details of how and where to send your payments

**Full payment is required by 31<sup>st</sup> July 2009**

Entry initially is open to participants of our previous two tours, which can be verified by your existing troop number. If you would like to participate in the tour please ensure you return your Entry Form by 31<sup>st</sup> March 2009, after this time we will open entry to the Tour to new participants
